Chico Real Estate Appraisal Services offers consulting, feasibility study, appraisal and appraisal review to the Mid-Atlantic Region.

We service West Virginia, Maryland and Pennsylvania.

Our firm performs conventional mortgage lending assignments as well as condemnation, estate, litigation and special project appraisal. Our background includes appraisal, review, consultation and feasibility study of residential, commercial, industrial, and special use properties. The primary emphasis of the residential division is appraisal and review of mortgage lending assignments.

Experience and Background

We are capable of handling any type of mortgage lending assignments.

We have performed appraisals or reviews on virtually all types of properties for:

- *Lending Institutions*
- *Governmental Agencies*
- *Law Firms*
- *Private Entities*

Our residential experience includes:

- *Single Family Residences*
- *Multi-tenant Units*
- *Estate Type Properties*
- *Farm Facilities*
- *Other Residential Applications*

Our background for commercial, industrial and special use properties includes:

- *Shopping Malls*
- *Strip Mall Centers*
- *Convenience Stores*
- *Restaurants*
- *Office Buildings*
- *Hotels/Motels*
- *Houses of Worship*
- *Lending Institutions*
- *Manufacturing Plants*
- *Coal Loading Facilities*
- *College Campus Facilities*
